

NIGHT SECURITY

Job Description: The role of the Night Watchman is to plan, implement and supervise procedures aimed at ensuring the safety and security of campers on the campgrounds (in coordination with the safety crew). The Night Watchman will meet with the Directors during pre-camp orientation and periodically throughout the summer to address safety and security concerns. The Night Watchman is on duty primarily from 10:00 PM – 6:00 AM nightly, although he or she should remain on watch for safety and security issues at all times. During the period defined above, the Night Watchman will walk the campgrounds keeping a look out for unsafe situations and uninvited visitors. Care must be taken to assure that all parts of the campus are visited at regular intervals.

At least one year in a leadership or trusted position preferred.

Lodging: Not included.

Dates of Employment: June 19, 2024 - August 19, 2024

Salary range: \$5,000-\$6,000 for the whole season
